Calumet Extension Announces Highest Total Enrollment In History

By Alec Lazur

Tentative figures indicate that individual enrollments and class registrations will exceed those of any previous year at St. Joseph's College Calumet Extension, according to Rev. James Berkley, extension director. Individual enrollment should reach approximately 280 to 300 students. Class registrations run between 340 and 360 for the fall semester. Should these figures prove correct this year's enrollment will be an increase of 120 to 140 students over last year.

Though only in its fourth year, the Center is fast becoming a stabilized institution, taking its role among the other Extensions long-established in the Calumet Region. Besides the classes held in the new wing of Bishop Noll High School, Hammond; in the Art Studio and Reading Clinic, Whiting; the Center expanded its scope and now has regular scheduled classes also at the St. Margaret Hospital School of Nursing, Hammond.

Offers Associate in Arts

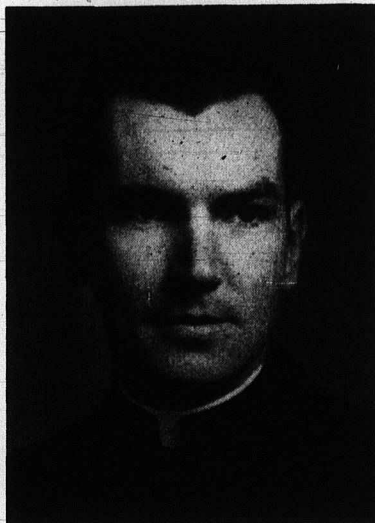

The College Center offers a two-year curriculum terminating in an Associate in Arts Certificate. The program, comparable to a two-year junior college education (60 credit hours), offers either a preparation for students who will enter the senior college in pursuit of a bachelor's degree or pre-professional training or a comprehensive and integrated

program for students not seeking a degree, but still desiring a liberal education.

Another program, that of the Certificate in Industrial Relations Studies, though still tentative is nonetheless progressing, and final formulation is hoped for by the Spring Semester.

Over 50 Courses Offered

The roster of classes comprises more than 50 course offerings. These courses represent the departments of: Religion, Philosophy, English, Humanities, Speech, Spanish, German, Social Science, Sociology, Mathematics, Natural Science, Accounting, Economics, Business Administration, Education, Art, and Reading Improvement.

Fr. James Birkley, Director of Calumet Extension Center.

CP's Plan Four Major Productions This Year

Arsenic and Old Lace has been chosen as the first presentation by the Columbian Players. Tryouts for this comedy are now being held, in order that it may be presented before the Thanksgiving holidays.

Aside from this, plans are being made for another set of one-act plays. They will be presented at the Rec Hall in the new arena scheme. It was announced that the arena plays will again be under student direction, with Mr. Cappuccilli acting as overseer. It was found that this procedure was quite successful last year.

An extensive travel program is also on this year's bill. The best of the one-act plays will be taken to Whiting, Ind., as St. Joseph's entree in the Catholic Theater Conference of One-Act Plays. The three-act plays will also travel to other Catholic College campuses. This will be arranged in an exchange system. Traveling to other large cities for the presentation of the plays is also being arranged.

Graduate Study Tests Scheduled

The Admission Test for Graduate Study in Business, required for entrance by a number of graduate business schools or divisions throughout the country, will be offered twice during the coming year, according to Educational Testing Service, which prepares and administers the test. During 1954, many students took the test in partial satisfaction of admission requirements of graduate business schools which prescribed it. Among these institutions are the graduate business schools or divisions of the following universities: Columbia University, Harvard University, Northwestern University, Rutgers University, Seton Hall University, Syracuse University, University of Chicago, University of Michigan, University of Pennsylvania, Washington University (St. Louis).

A candidate must make separate application for admission to each business school of his choice and should inquire of each whether it wishes him to take the Admission Test for Graduate Study in Business and when. Since many business schools select their entering classes in the spring preceding their entrance, candidates for admission to the 1955 classes are advised to offer the February test, if possible.

The Admission Test for Graduate Study in Business is not designed to test specific knowledge in specialized academic subjects. Normal undergraduate training should provide sufficient general knowledge to answer the test questions. Sample questions and information regarding registration for and admin-

Students, their guests, members of the alumni and the faculty took part in a colorful and joyful homecoming this past week.

The weekend was colored by the many decorations and banners that were erected by the decorations committee of the different classes. The fieldhouse in its gay multicolored patterns also fitted the mood of the students who attended the dance.

Pumaville Press Edits Parental News Letter

By Jim Station

Today's Parents, a news letter written by and for the parents of school age and pre-school age children, is now being published by the St. Joseph's College Foundation. Fr. Lefko, director of the Foundation, has announced that the news letter will be published six times during the school year for distribution with the report cards to parents.

The only publication seeking to arouse more active parental interest in carrying on Catholic education in the home, Today's Parents bears the imprimatur of the Most Reverend John G. Bennett, Bishop of the diocese of Lafayette.

It is the only publication devoted exclusively to the promotion of better parental understanding of the work and problems of teachers and pastors in imparting Catholic education to children. Today's Parents is also the only publication in the field of Catholic education using the fast-moving "news letter" technique for covering a variety of subjects in every issue for easy, but effective reading and for easy filing for future reference.

This news letter is not a digest of previously published material, but is written exclusively for Today's Parents from information received from over 400 sources and from personal interviews with qualified observers in the fields of education and home family life.

istration of the test are given in a Bulletin of Information.

The tests will be administered on February 3, 1955 and May 14, 1955. Applications and fees must be filed with the Admission Test for Graduate Study in Business, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey, at least two weeks before the testing date desired in order to allow ETS time to complete the necessary testing arrangements.

A pep rally entitled Beat State Brooch started the activities rolling Friday night at 8:30, with the bonfire drawing a large crowd afterwards. The flames leapt high into the air as the freshmen threw their beanies into the flames, signifying the end of their initiation. It burned far into the night and was still smoldering late the next morning.

The attendance at the casual dance in Raleigh Hall was not too large, providing a good setting for the danceable music of Joe Maher and his swing band.

Saturday afternoon the St. Joe gridiron was the scene of an exciting 21-20 victory over Indiana State Teachers' College. The Puma eleven came from behind in the fourth quarter to win St. Joseph's first Homecoming contest in four years.

The Homecoming queen, Miss Marylynn Allen, and her two attendants, the Misses Shirley Praeg and Marilyn Liddy, were presented to the crowd at halftime.

In the evening, at 8 P. M., in the Collegeville fieldhouse, Jimmy Stier waved his baton and four hours of dancing were underway.

The dance floor was colorfully decorated. A striking bandstand and throne, as well as many colored streamers across the ceiling, gave the dance a gay, carefree atmosphere.

At 9:45, the queen and her attendants paraded to the throne, and the queen was crowned by Rev. Raphael H. Gross, president of the college. Fr. Gross also delivered an address of welcome to all attending.

The queen received a dozen American Beauty Roses. Both she and her attendants received a locket as a remembrance of the occasion. After the crowning, the queen and her escort, senior Chet Walong danced the "Queen's Waltz," with the attendants and escorts and the rest of the assembly joining in.

Later in the evening, Rev. Norman Heckman, St. Joe Athletic director, presented John Donnelly with the Most Valuable Player Award for his performance in the Homecoming game.

(Continued on page 2)

Thirteen bishops were present at St. Charles Seminary, Carthage, Ohio for the solemn closing of a Triduum honoring St. Gaspar del Bufalo, founder of the Society of the Precious Blood. In the photograph above, seated left to right: Their Excellencies, Joseph M. Marling, auxiliary of Kansas City; Alexander M. Zaleski, Detroit; Archbishop Karl J. Alter, Cincinnati, who celebrated the Solemn

High Mass; Archbishop Paul C. Schulte, Indianapolis; Francis R. Cotton, Owensboro, Ky.; and John G. Bennett, Lafayette. Standing, left to right: John P. Cody, St. Joseph, Mo.; Edward G. Tettinger, auxiliary of Columbus, Ohio; Albert R. Zurweste, Belleville, Ill.; Joseph Annabring, Superior, Wisc.; Michael Ready, Columbus, who preached the sermon; Thomas J. McDonnell, Wheeling, W. Va.; and Joseph H. Hodges, Richmond, Va.

Fr. Lawrence Heiman directed the combined choir of seminarians from St. Joseph's and Brunnerdale and Novitiates who attended St.

Joseph's last year at the St. Charles Seminary September 28. The occasion was the closing of a Triduum in honor of St. Gaspar.

PROWLER OF THE NIGHT

<GEECEE>

School Spirit Improves

Congratulations to the student body for the fine show of school spirit at the Valpo football game. All but a few of the campus population were present as the Pumas dropped their first contest of the year. This is one case where lack of student support cannot be blamed for the team's failure to win a game. Although our players were tremendously outmatched, they were never without the complete backing of the student body.

In other cases though, we students are displaying a complete lack of school spirit. An example of the latter is the preview of the Homecoming bonfire which was given to the girls from Mundelein. I hope the thrill the girls received was worth the effort a few sophomores had to put forth in rebuilding the bonfire.

The Homecoming pep rally was also a big success, even though some people didn't appreciate the efforts of the Sophomore class. The school has sacrificed a lot for the sake of a winning football team.

Our congratulations also to the student body for the biggest and best Homecoming Recreation achievements yet. With a few exceptions, the off-campus guests were treated to a remarkable display of what can be accomplished with crepe paper, napkins, and a few buckets of paint.

Your Student Council

The Student Council met in the Noll Hall Lounge at 9:00 p. m. on Thursday, September 30. It was an open meeting.

The Athletic Committee reported that 415 tickets were sold for the Valpo football game. The senior and junior classes had 100% representation at the game and will divide the \$50 prize for best class attendance.

Jim Zid moved that the record album taken at the senior pep rally, "Wonderful Town", be donated to the library. It will then be available to the student body for future use.

John Quinn made a motion that the Council appropriate \$15 to purchase a set of records of the salute to St. Joseph's by Lionel Hampton. These records will be obtained from station WOWO and will be donated to the archives of the library.

It was decided that the Veterans' Club will be given the first Bingo games, and that they will be allowed to keep all profits above the \$50 which will be used for prizes.

The Council also decided to publish a bulletin concerning the drinking regulations for all Student Council functions.

Due to the long bus trip from Indianapolis to Terre Haute, it was found that the proposed mixer with Saint Mary-of-the-Woods after the Butler game would be impossible. The Butler game is scheduled to be a student trip.

It was announced that the Council plans to have a place on the freshmen elections this year.

The girls' chorus from St. Mark's of Cincinnati is scheduled to appear in the St. Joseph's auditorium on October 23. They will precede a mixer and will be entertained after their concert in some manner to be discussed at a later date.

John Gorman was appointed to check into the cost of purchasing ushers' badges for the Monogram Club to be used at Sunday Masses in the chapel.

The Council appointed Roger Uecker to see Mr. Walsh about the particulars concerning the purchase of a fireproof false-ceiling for the fieldhouse. The ceiling will be a grey flannelette and will be used for dances held in the fieldhouse. The supposed price would be \$650, including installation.

Marv Hackman was instructed to see Fr. Smolar about having 300 copies of the Student Council constitution made up.

The Council appointed the secretary to formulate a set of regulations regarding the use of school instruments on outside dates. This is to insure the school against possible breakage of the instruments.

John Good was present and presented a report on the conventions and plans of the NFCCS. It was moved that the Council have an informal meeting with NFCCS sometime after October 9.

The Council instructed the treasurer to submit a financial report at the next meeting of the Council.

On motion of Kellogg, the Council adjourned.

Coed Invades Pumaville For Teaching Degree

By Owen Weitzel

It has probably come to the attention of many St. Joe men that there is a co-ed attending classes on the campus. In a recent interview she related facts about herself and her family, and also the reasons for attending St. Joseph's.

Mr. and Mrs. M. H. Dean and their four children live in Brook, Indiana. The children's ages range from six to thirteen years old, and all attend school in Brook.

During the Second World War, Mr. Dean, who is a steam-fitting plumber, had occasion to travel to different construction jobs in the country. The family went along with him for the duration of the war. While they were in Texas, Mrs. Dean acted as a secretary for the government.

The reason Mrs. Dean is attending St. Joseph's is to obtain a B. S. Degree in Education so she may enter into the teaching profession. Prior to coming here, she had completed three years of education at Manchester College near Fort Wayne, Indiana.

Now that she is at St. Joseph's she has taken on quite a class schedule which includes the following: History of Modern Philosophy, Contemporary Literature, Metaphysics, Logic, English History to 1600, and American History from Reconstruction to 1900. This brings the total of semester hours to 17.

When asked for her opinion of the college she replied, "I like St. Joseph's very much and feel as though the teachers are superb in all fields." Mrs. Dean said she is most grateful she has been accepted here, because had she not, she would have had to move to a new location to attain her goal of a teaching degree.

I am sure that I express the sentiments of all the students in welcoming Mrs. Dean to St. Joseph's and wishing her success in her courses this year.

Fr. Kern Named Xavier Rector

By Gregor Dues

Rev. Cletus Kern has assumed his new position as rector of Xavier Hall. He succeeded Rev. Raymond Cera who was rector for the past three years.

Fr. Charles Rueve became vice-rector, a position held by Rev. Clement Kuhns since 1950 and Fr. Leonard Kostka took over the duties of spiritual director of Xavier. These new appointments were made in September through Rev. Raphael Gross by Rev. Seraphim Oberhauser, provincial of the Precious Blood Society.

The Dwenger Mission Unit began the thirty-second year of its history with a meeting held on Sunday morning, September 26th. The freshman class of Xavier Hall, who were voted in as new members, brought the club's active ranks to an even fifty. At the same meeting, Gregor Dues delivered his inaugural speech.

The officers of the D. M. U. this year are: Gregor Dues, president; Robert Cromie, vice-president; James Sloan, secretary; and Edgar Jutte, treasurer. These officers were elected at the meeting last May. Rev. Leonard Kostka will be the unit's moderator.

Thomas Burke, the club's program chairman, attended the C. S. M. U. 16th National Convention at Notre Dame August 26th-29th, as a delegate of the Dwenger Mission Unit. At the convention he was a discussion leader on the topic of redistribution of books and magazines to the missions.

(Continued from page 1)

Franz Jackson and his orchestra, featuring Cookie Hicks, vocalist, and Fletcher Butler at the piano, provided the Revel's jazz music from midnight to 3 a. m. in Raleigh Hall. A buffet supper was served during the Revels.

The Canoe

By John White and Chuck Vietzen

'Twas the night before Homecoming and 'round the campus could be heard the fair damsels starting off the weekend of fun. High in the sky over Collegeville could be seen the glare of the giant fire, extra-fed by 300 green beanies of the much relieved Frosh. In the fieldhouse that last extra touch of perfection was being added by Tom Brosseau and crew as they tightened the almost endless rows of crepe paper forming the roof for the "Football Fantasy". There was something big going on tonight! Excitement prevailed! Homecoming was here! ! !

Orchids to Arenz

Few persons realize the hours of work, both physical and mental, which go into a weekend such as this. Plans were begun as early as last May. They were worked on and improved upon until three weeks before the dance; then actual manual labor began. It is hard to single out any one individual to whom the credit for most of this belongs. The only one who could be picked in a case like this, however, would be the chairman, Ed Arenz. Ed has given up an awful lot in the past to bring the school one of the most successful weekends in its history. The small notoriety he shall receive for his work will far outweigh his efforts of the past few weeks.

Credits . . .

The sophomore class (if you'll pardon our conceit) deserves much credit too. It has shown this school what an initiation really is. They have as much as said that if we are to continue the practice, let's make it a good one. If it can't be a good one, then let's forget about it.

The Big Story

One of the big "story behind the story's" this year has to do with the big Homecoming bonfire. Set afire by someone unknown person or persons on Sept. 25, it was rebuilt by the sophomores into one of the biggest ever. Phil Huey and his gang did not only themselves, but the whole class proud.

The Gang's All Here

Among the sophomores you saw last weekend wearing brown Derbys, a symbol of real spirit, were Jim McLaughlin, Jim McGuire, Earl Fortin, Pat Hogan, Bill Rupp, Paul Yaunt, Gibby Parent, Frank Unger, Don Neville, Bob Van Horn, Bernie Balas, Ron Frey, Ray Goberville, Glenn Murphy, Ron Knaus, Don Socha, Tom Hoffmann, Tom Ciechanowski, and Jerry Martin.

The most school-spirited Frosh this year is Mike Brungardt. This Kansas lad worked above and beyond the call of duty when he helped a day with the bonfire. You're a great guy with the sophs, Mike. Close runner-ups for this title are Mike Miller, Frank Kalavo, Bill McGrogan, and Terry Collins.

Shades of Shakes . . .

Let's not forget Ed Hegda and the bunch who worked hard to bring the Collegeville campus one of the most enjoyable Pep Rallies in recent years. What the fellows lacked in experience they made up for with the zest of their performance. Could there have been three fairer beauties than Jim Kubacki, Fred Sierkowski, and Jerry Pabst? Could their masculine counter-parts have worked harder to perfect their roles? Joe Turk, Myron Keel, Dick Rezek, Vince Battaglia, Larry Schmidt, and Ed Stephan all did a swell job. Our thanks to Mr. Cappacelli for the cooperation he extended to the class.

Hamburgs Et' Al.

If to any member of the faculty the sophomores owe more it is to Mr. Walsh for the time and effort he willingly donated to assure us of a great weekend. It is indeed a shame that we couldn't have mentioned the majority of the student body who gave any of their free time in any phase of Homecoming activities, including the seniors and juniors.

While this was the first Homecoming for many, it was the last for four members of the Puma team, Pete Fenlon, Bernie Klopach, John Donnelly, and Clay Klein. Any future Homecomings they will attend as Alumni.

And while we're on the subject of football. For those of you who are still recalling the Valpo game, and in case we don't come out on top another time this season, we have a little story:

The United States Calvary found a man dying with an arrow in his stomach by a dried out water hole. When asked what happened the man replied, "Rustlers stole my cattle, Indians burned my ranch, scalped my wife and children, tortured me, and left me for dead twenty miles from the nearest water hole".

"Does it hurt", asked the Calvary officer?

The massacre victim replied, "Only when I laugh".

With these words we leave you, as we go paddling off into the sunset.

STUFF

Published bi-weekly during the school year, except during the calendar holidays of Thanksgiving, Christmas, Easter and mid-year examinations by students of St. Joseph's College. Entered as second class matter Sept. 20, 1937, at the Post Office in Collegeville, Ind., under Act of March 3, 1879. Subscription \$1.00.

Pumas Explode In Final Period; Beat State In Second ICC Win

By Dick Obergfell

St. Joseph's Pumas exploded for two touchdowns in the final quarter and defeated Indiana State 21-20 before a Homecoming crowd at Collegeville to take their second conference victory against one defeat.

Halfback Bob Hamman and end Merle Effing shared the spotlight for the Pumas. Hamman raced 64 yards for St. Joe's second touchdown midway in the final period and then added the third on a 42 yard pass from quarterback Ralph Tite with four minutes remaining in the game. Effing had a perfect day, converting three extra points in three tries, and provided the winning margin for St. Joe.

The Sycamores first tally came on a 41 yard run by Bob Wilbur early in the second period. The hometeam had scored a few minutes earlier when Bill Bazil climaxed a sustained drive by scoring from the one-yard line. A pass from Wayne Gruber to Jack Griffith put State in the lead 14-7 just before the half ended.

Indiana State scored again in the last quarter with fullback Charlie Cashaw carrying the final yard. Cashaw's kick, however, hit the crossbar and bounded back leaving the score 20-7 and setting the stage for Hamman's two scoring plays.

State threatened again in the closing minutes, but halfback George Sherwood intercepted a Sycamore pass on the St. Joe goal line to halt the drive.

It was the first Homecoming win for the Pumas since 1950.

St. Joe 21 7 0 0 14-21
Ind. State 20 14 6 0-20

Pete Fenlon will be starting at tackle for the Pumas Saturday when St. Joe's takes on ICC foe Butler. Pete stands 6'1" and weighs 200 lbs.

St. Joe Faces Bulldogs; Try For Fourth Victory

The St. Joe Pumas will carry a 2-1 conference mark to Indianapolis next Saturday when they meet the Butler Bulldogs. Coach Tony Hinkle's crew are the ICC defending champions and they will be out to avenge a 26-13 setback at the hands of Ball State last Saturday.

Sparking the Bulldogs this year is Soph. fullback Leroy Thompson. Last year Thompson led all Conference rushers with 400 net yards and was selected to the all conference squad.

With the exception of the fullback slot coach Hinkle faces a big replacement job in the line and in three backfield positions. The "Blue and White" entered the 1954 season minus the services of quarterback and ace passer, Ferd Davis; the all around Norm Ellenberger at one halfback spot and breakaway runner Gene Kuamic at the other halfback position. Davis, and Kuamic made the all ICC team last year. Ellenberger was selected to the "dream" team in 1952. Kuzmic was also the leading scorer last year with 49 points.

The 1954 season also brings gaps in the Bulldogs forward wall. End George Freyn, guard Bob Eicholtz, and tackle Paul "Bugs" Bennett will be missing from Butler eleven.

Frey was a terror on the gridiron last season, he led all conference ends in scoring last year and was chosen outstanding lineman in the conference. Freyn's replacement is Leo Mahoney, and veteran Scott Chandler will be at the right end position. Ralph Landon and Kenneth Nicholson, both returning lettermen will be starting at tackles.

St. Joe hasn't beaten Butler since 1951 when they edged the Bulldogs 12-6.

The Pumas will continue facing league foes the following week as they face the Evansville Aces at Collegeville. The Purple Aces were hit hard by graduation but have twelve returning lettermen and an ample supply of freshmen prospects.

The Aces hold a 2-1 edge on St. Joe, the Pumas last victory coming in 1940 by the score of 26-7. Leading Coach Don Ping's crew this year will be Ted Niemeier captain and guard, tackles Bill Huff and Ron Whitaker, end Bill Parish, and halfback Sam Hancock.

Evansville will have a 3-1 conference mark when they meet St. Joe on Oct. 23.

St. Joe 0 6 0 12-18
Valpo 6 7 19 6-38

Valpo's heavier and faster line outcharged the Pumas and bottled up the St. Joe backfield that had previously scored ten touchdowns in two games.

Valpo stunned the Pumas with three quick touchdowns in the opening minutes of the second half to boost the score to 32-6. Touchdown runs by Ken Schreiber and Paul Meyerand accounted for two of the scores, and Helms hit left end Chuck O'Brien with a 34-yard pass for the third.

St. Joe struck by air in the final quarter with Tite pitching two touchdown passes. A Tite-to-Effing pass covered 48 yards and carried the ball to the Valpo 5 yard line where Tite passed to Hamman for 6 points. Ray Regner hauled in another of Tite's passes with three minutes remaining in the game for St. Joe's final touchdown. A 12-yard dash by Valpo's Paul Naumann ended the scoring for the evening.

Valpo's heavier and faster line outcharged the Pumas and bottled up the St. Joe backfield that had previously scored ten touchdowns in two games.

PUMATTERS

By Dick Obergfell

54

When coach Bob Jauron introduced the 1954 Puma squad to the student body previous to the Earlham game, he said there would be no quitters on his team. He was right, last Saturday's game is proof enough. The team fought back from a 13 point deficit to take the Sycamores 21-20. It was the first Homecoming win for the Pumas since 1950.

A hearty congratulation to captain John Donnelly, who was selected most valuable player for the Homecoming game. The annual award was presented to the Puma center for his outstanding line play both on offense and defense. It was a well deserved honor for the 170 pound center, for John has been outstanding in each appearance. But such players as Bob Hamman, Merle Effing, Pete Felton, Clayton Klein, and Tom Huhn cannot be overlooked.

Hamman's first run of 55 yards set up the first Puma score. On the first play after the final State score he raced 64 yards for a touchdown and minutes later the speedy halfback grabbed a 42 yard toss from Ralph Tite and spun to paydirt for the tally. With four minutes remaining in the game Merle Effing, the sure-footed end, booted his third perfect placement to ice the game. Clayton Klein continued as the work horse as he carried the load 24 times for a net gain of 68 yards. Together with Donnelly, Felton and Huhn gave the State backs trouble all afternoon.

Sports in Spots
Bob Hamman has taken over as chief ground gainer for the Pumas in their first four games. In 15 carries he has picked up 262 yards, while losing only seven. Clayton Klein is second with 223 yards in 55 tries. Ralph Tite, Puma quarterback, has collected a total of 503 yards via passing and rushing. The frosh back has completed 25 out of 56 tosses for 351 yards and churned out 152 yards on the ground.

Kevin Mulvihill will be ready for action before the end of the season. Congratulations to the Lions on their fine showing in the recent IM tournament. Their opponents in the final game, the Imperials, advanced to the finals without crossing their foes goal line.

Last Friday, a gentleman approached Mr. Jim Beane in the fieldhouse and announced that he was an athlete and would like to use our facilities. Mr. Beane consented and inquired further into the matter. As things turned out the athlete was Mr. Fred Wilt, one of America's foremost track stars who is with the FBI and is stationed in Lafayette.

From the Gary Post Tribune...
"Mr. and Mrs. George Caponal drove their son, Bob, to St. Joseph's College, Collegeville, Ind., for the start of freshman football practice. They noticed some huge characters tearing up and down the field, and decided son Bob should try his hand at another sport."

It turned out happily for Bob, though, when his folks were assured the big boys were the professional Bears making use of the college facilities for early season drills."

Lions Win Championship

Intramural action got under way this week following the preseason tournament. The Lions, a sophomore studded squad, defeated the Imperials 6-0 in the final game.

The champs defeated the Hurricanes 6-0 and then took a tough Brewer nine 7-6. The Imperials edged the Unpredictables and the Vets to move into the final round.

A Joe Horney aerial to end Tom Weber late in the third period cinched the win for the second year men. The game, however, was not as close as the score indicates. The Lions had a score called back due to a penalty.

The pre-season tourney was just a feeler the real test is yet to come as the league play progresses. The Lions have some rough competition in store for them. The Vets have a strong line with Joe Dolak, guard; Lou Giacomini, center; and Jim Luxenberger and Mart Ostendorf at ends.

The senior representatives, the Brewers, gave the Lions a real battle in their first meeting. The passing of Gus Pasquini to ends Maurie Garvey and Leroy Selnek is a constant threat.

To combat the heavy Vet and Brewer lines, the Lions will resort

to a fine running attack featuring Gene Eifrid and Ed DeWald.

Bowling will share the fall and winter highlight with the gridiron sport. Two leagues have been set up at the Maple Lanes to accommodate the frosh and upperclassmen. The first year men will take to the alleys one afternoon a week with the sophomores, juniors, and seniors taking over in the evening.

Following football, basketball will take over as king of the IM sporting activities.

St. Joe has been noted for its fine intramural program, and the way the students have been responding this year, it looks like another great year at St. Joe. Ed Zander and Coach Jim Beane are to be highly congratulated for the fine job they are doing.

Xavier IM Opens

Another Xavier rough and tough football season officially opened with the election of John Cavalli as the Athletic Director on September 19th. There are just enough players in Xavier Hall this year to fill out four eleven-man teams. Each team will have an opportunity to display its ruses at least twice a week.

Gerard Schmidt's Vandals started off with a 9-6 victory over Kinderman's Romans, although Kinderman's touchdown pass to Hanish on the second play of the game spelled trouble for Schmidt.

The second game of the season was a one-sided scrimmage going entirely to Krabbe's Swedes 12-0. Eugene Schmidt could not get his Greeks to coordinate in either passing or blocking.

The Swedes lost their next game to the Vandals who again came from behind through some helpful playing by Ralph Haag and won 19-12.

Unless the Swedes show a slight improvement, Gerard Schmidt is predicted to lead his Vandals to first place, while his twin brother will probably have to settle for the last position.

Nelsons Join College, Family Life at St. Joe's

By Chuck Vietzen

If you've ever been in a class with "Whitey" you've met Mr. Nelson. If you've ever been in the office you've seen or talked with Ruth. She's Mrs. Nelson. If you've ever seen two rolly-polly young men from the Catholic grade school in Rensselaer playing on the campus lawn, you've seen the rest of the Nelson set. Altogether they comprise the Nelson great big family called Collegeville.

Less than 14 months ago this family was living in Whiting, Indiana, the same as any other typical family. Mr. Nelson was a plumber by trade. He originally had started his career as a machinist, after graduating from Lane Tech high school in Chicago. On August 23, 1941, he married Ruth and in 1943 was drafted into the Army. Mrs. Nelson is also originally from Chicago. A graduate of Lucy Flower high school, she now runs the switchboard here at school.

Whitey had been sorry for a long time that he had never gone on to college and had been going to night school for several years. Then last year the young couple decided to come down to St. Joe's where he could finish his education. From the time they first set foot on campus, the Nelsons knew they loved St. Joe's, and St. Joe's knew it loved the Nelsons.

At first the family lived on a farm a short distance out of town, but in March moved into a small comfortable home on College Avenue. During the summer Mr. Nelson works in Hammond at his old trade. Together, he and Ruth have starred in several plays given by St. John's parish of Whiting. On the mantle of their fireplace stand two trophies won by the pair, for her part as "Clair Carter" in "Stardust" and his portrayal of "Jonathan" in "Arsenic and Old Lace". Ruth also starred last spring in "The Male Animal," given by the Columbian

Poetry Contest Open To All College Students

All college students have been invited to submit original verse to be considered for possible publication in the Annual Anthology of College Poetry. This is the Twelfth Annual College Competition.

The recognition afforded by publication will reflect definite credit on the author, as well as on his school. Over a hundred thousand manuscripts have been submitted to the National Poetry Association in the past ten years. Of these about 4,000 have been accepted for publication.

Students may submit as many manuscripts as they desire, and the theme and form may be in accordance with the wish of the student contributor. In order to give as many students as possible an opportunity for recognition and because of space limitations, shorter efforts are preferred.

The manuscripts must be typed or written in ink on one side of a sheet of paper and should contain the student's home address, name of college and the college address. The closing date for the submission of manuscripts is November 5, 1954.

Manuscripts should be sent to Dennis Hartman, Secretary, National Poetry Association, 3210 Selby Avenue, Los Angeles 34, California.

Law School Admission Tests To Be Given

The Law School Admission Test, required of applicants for admission to a number of leading American Law schools, will be given at more than 100 centers throughout the United States on the mornings of November 13, 1954, February 19, April 20, and August 6, 1955. During 1953-54, some 8200 applicants took this test, and their scores were sent to over 100 law schools.

This test, prepared and administered by the Educational Testing Service, features objective questions measuring verbal aptitudes and reasoning ability rather than acquired information. Sample questions and information regarding registration for an administration of the test are given in a Bulletin of Information.

A candidate must make separate application for admission to each law school of his choice and should inquire of each whether it wishes him to take the Law School Admission Test and when. Since many law schools select their freshmen classes in the spring preceding their entrance, candidates are advised ordinarily to take either the November or the February test.

Bulletins and applications for the test should be obtained from four to six weeks in advance of the desired testing date from Law School Admission Test, Educational Service, 20 Nassau Street, Princeton, New Jersey. Completed applications must be received at least ten days before the desired testing date in order to allow ETS time to complete the necessary testing arrangements for each candidate.

Sanguinist Club

The introductory meeting of Sanguinist Club this year was held on Oct. 6 in Noll Hall lounge. The new members were introduced to the officers for the year who are: Don Gillig, President; Charles Rohan, Vice President; Mike Madalon, Secretary; and Ray Malik, Treasurer. Each of the officers gave a little talk on the aims and objectives of the club, past history of the club, and how it operates. They were followed by a short talk by the moderator, Rev. L. Kostka. Tentative plans were made for a future meeting of those who intend to stay in the club.

In past years the membership has been small. This year in hope of getting new ideas for the betterment and enlargement of the club, two delegates were sent to the Young Christian Students Convention which was held on Sept. 6-11 at Camp St. Don Bosco, 20 miles outside of St. Louis.

As the official Catholic Action club on campus, the Sanguinist has performed many services for the student body. Some of the things that the club did last year were: the typing of stations of the cross for student use during Lent,

NFCCS Plans Year; Don Bosco Club Meets

Sunday morning, October 3, found ten NFCCS men, together with regional moderator, Rev. Albert Wuest, driving north to Kalamazoo, Michigan, for the first regional council meeting of the year. Nazareth College was host to the gathering, some 40 or 50 strong.

The council was privileged to hear from the national president of the federation, William Ford of John Carroll, who was in the area just

Dance Planned By Lake County Chicago Clubs

The schedules of both the Chicago and the Lake County Clubs include tentative dances at Thanksgiving. At the present time, the clubs are conducting membership drives to insure their present members of a cut rate on tickets for the year's dances.

The Chicago Club is attempting to secure a South Side hall for their Thanksgiving dance. They are charging \$1.00 a year membership fees to thus reduce the prices of the dance tickets.

The Lake County Club has been collecting two dollar initiation and membership fees from new members and one dollar fees from the old.

Terry MacCarthy, president of the Chicago Club, and Bob Campanik, president of the Lake County Club, have announced that this year's profits will be used to purchase jackets, or some like article, for the senior club members. No definite plans have been made concerning this as yet.

Attendance High For Valpo Trip

Over 450 St. Joseph's students attended the football game at Valparaiso between the Pumas and the Crusaders, Saturday, Oct. 2. The trip was preceded by a pep rally at 4:30. Although most of the students went by auto, five buses carrying about 190 men left for Valpo from Gaspar Hall at 6:15 on Saturday, October 2nd.

The Junior and Senior Classes tied for first in attendance percentages, each class having 100% attendance. The two classes will divide the \$50 award offered by the Student Council to the class having the best attendance record.

Although Valpo defeated St. Joe's by a score of 38 to 18, this year's Valpo trip was one of the best attended that St. Joseph's has ever sponsored.

long enough to sit in for the first half of the meeting. Ford, who was just recently elected at the Congress last month, explained the new idea behind the federation's will take the initiative in seeking new ideas and plans from similar clubs at other schools throughout the country. Having once been presented with the matter, NFCCS will get the ball rolling from there by contacting the regional committee-man for material. Previously, the matter was formulated by NFCCS and presented to the club with little or no results, since much of the matter was irrelevant to their problem.

Before leaving, the federation prexy announced that the Fort Wayne region was given the honor of being the national seat for presentation of an award to the outstanding NFCCS member in the country at the end of the school year. The committee seat will go in turn to one of the schools in the region, a move involving great publicity.

Most noteworthy for local interest was the resignation of Chuck Vietzen from the editorship of Scoop, the regional newspaper. Succeeding Vietzen are co-editors Jim Bruha and Jim Plate, St. Joe seniors. They announced the date of the first issue as October 15, with succeeding issues following monthly.

Further business included officers' reports, adoption of commission programs, and the adoption of agenda. New business included plans for the Regional Congress, Youth Week, and a travel program. A move was carried to invite area Newman Clubs of the same level as NFCCS to future meetings.

Following the meeting a social was held, and the men returned home the same day.

The Don Bosco Club held its first meeting of the year on September 24. Many new students as well as old members showed up to meet the new officers. Conducting the meeting was president Chet Buziak. Vice president is Dick Oberfell; secretary, Bob Duncan; and moderator, Rev. William Eilerman. All students who are serving Mass or are interested in learning to serve are invited to see any one of the officers of Fr. Eilerman.

Quarterback Dan Ort gets the pass from center in the final game of the IM tournament. Ort's intended receiver is end Joe Kneip. The Imperials lost the game to the Lions by a score of 6-0. In the blocking back positions are Emil Jane and Dick Oberfell.

Eleven Seniors to Receive Commissions

Eleven St. Joe seniors, members of the Marine Corps Platoon Leaders Class, were among 4,000 college men and women who participated in the Marine Corps Reserve Officers Training Program, held last summer at the Marine Corps Schools, Quantico, Virginia.

As members of the Platoon Leaders Class, college men in their freshman, sophomore or junior years train at Quantico for two six week periods during summer vacations from college. Upon successful completion of this program and graduation from college, they are commissioned second lieutenants in the Marine Corps Reserve and will be required to serve two years active duty.

St. Joe seniors who have completed the program and will be commissioned in June upon graduation are Ed Sickle, Wally Rozanos, John Donnelly, Terry McCarthy, Tom Dudak, Willie Kellog, Jim Bruha, Pete Fenlon, Maurice Garvey, Buck Lavender and Joe Tokish.

Ed Linskey, who graduated from St. Josephs last June, is now a second lieutenant attending a five month basic school at Quantico.

College seniors who will graduate prior to February 1955 may apply now for the Marine Corps Officer Candidate Course which commences in March 1955. This course consists of a ten week training period following graduation from college. Upon successful completion of the Officers Candidate Course, the candidates are commissioned as second lieutenants in the Marine Corps Reserve and retained on active duty for three years.

Nelson . . .

(Continued from Page 7)
Players here on campus.

When asked what he as a sophomore, a few years older than the rest thought of the Initiation, Whitney replied that he thought it was good so long as limitations were put on it. "The things you don't lose are memories, and that's the thing about college life."

The Nelsons especially will have a lot of memories when all this is over, for they will have shown that one is never too old to start out again and do what he really wants to do.

Undoubtedly the big thing about the Nelsons, however, is that they are a family in every sense of the word. This is best shown by their home which has been artistically furnished by Ruth. In one corner of their living room opposite a natural fire place hangs a short verse which I think best sums up the warm hospitality which is always yours at the Nelsons. It reads:

Dear Little House,
Dear Shabby Street,
Dear Books and Beds and Food to Eat,
How Feeble Words Are To Express
The Facets of Your Tenderness.

This is a home. This a family.
This is the Nelson.

\$1,000 Offered For Prize Essays

Students interested in international affairs now have the chance to submit essays in the Foreign Service Journal Prize Essay Contest. The essays, to be written on "The Organization of American Representation Abroad", may win for a student up to \$1,000 or a full fellowship, amounting to \$1,750, at the School of Advanced International Studies of Johns Hopkins University in Washington.

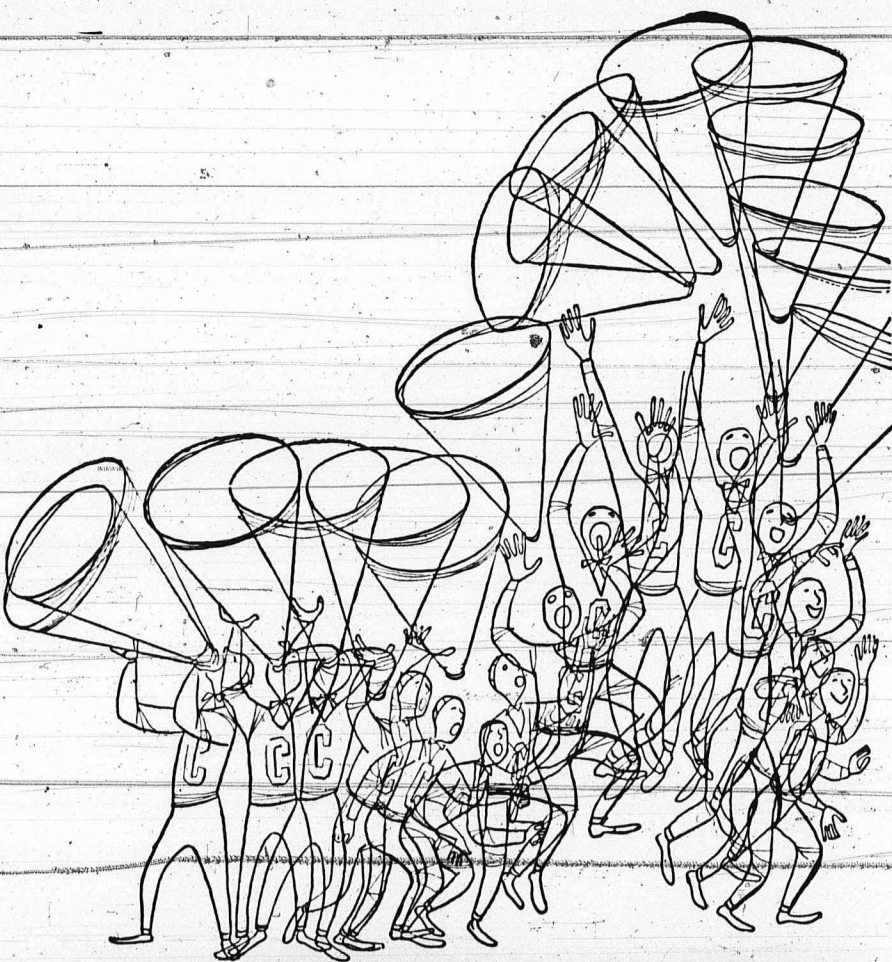

Essays submitted will be judged by a committee of six nationally known men including John Sloan Dickey, President of Dartmouth College; Robert D. Murphy, Deputy Under Secretary of State; and Lt. Gen. Harold R. Bull, former commandant of the National War College. Secretary of State Dulles, in a statement which accompanied the contest announcement, said: "I hope this contest will produce constructive and helpful public thinking on

a matter of importance to all Americans."

Students constitute one of four categories of entrants outlined in the contest announcement. Other categories embrace former and present State Department and Foreign Service personnel, personnel of other governmental agencies, and competent persons other than those in the first three categories.

Full details of the contest may be obtained by writing to the Foreign Service Journal, Contest Committee, 1908 G Street, N. W., Washington 6, D. C. The deadline for contest entries is December 15, 1954.
